## After you graduate

Graduating? Congratulations! We hope we've helped you along the road to success during your time at Hopkins. Here are some ways to stay connected to the Libraries:

**Hopkins KnowledgeNET** is a virtual library for alumni, courtesy of the JHU Alumni Association and the Sheridan Libraries. Find out more at <http://alumni.jhu.edu>.

Staying in Baltimore? Alumni are welcome to use Eisenhower Library resources, both print and online, within the library for no fee.

You can also purchase a bor-

rower's card. Contact the circulation desk for details.

Have a great summer and best wishes for success in all your endeavors!

## We'll miss you!

We really will. But we'll miss your books, too, if you don't bring them back before you leave.

Lost books can result in steep fines and even

withholding of transcripts. So save yourself the hassle — remember to return everything you have checked out before you leave campus. If you're in

a rush, you can deposit them in the book drop located in the alcove to the right of the guard's desk.
